

Wreck Man

Victory

I've got two girls, each ones great
I'm busted from bed to bed
I don't fall in love again
Eat a whole lot of sushi tail
Mary Jane and Mary Sue
That works for me
If one them only knew
My love would be all through
Go out on a midnight drive
Than swooped down Lois Lane
Oh no! Got to die
Cause here comes Mary Jane

I'm gonna be a wreck man
Runnin' through some good
I'm gonna be the slut man, natural
I'm gonna be a wreck man
Runnin' through some good
I'm gonna be the slut men, Oh yeah!

I get down on my seat, tryin' to escape the heat
Wish I could blow this place
All dark don't see my face
She'll find there be trouble ahead
A chance I would surely take
Guess that's the meaner mistake
Make it though another night
I turned quick to her back
I cruise back to Mary Jane's
I got privy in the sands
I lucky to have a heart attack

I'm gonna be a wreck man
Runnin' through some good
I'm gonna be the slut man, natural
I'm gonna be a wreck man
Runnin' through some good
I'm gonna be the slut men, Oh yeah!
