

## Hold On (I Was Wrong)

Video Age

Oh, I never want to leave it  
Unsaid again  
No, there's diamonds underneath it  
How can I pretend?  
Tonight I feel it more  
What I've been waiting for

Hold on, I was wrong  
Yeah, it's all I want  
Hold on

Oh, I'm thinking 'bout you lately  
Calling in my dreams  
No one told me it'd be easy  
How could I have seen?  
Tonight I'm on my own  
Thinking how I done you wrong

Hold on, I was wrong  
Yeah, it's all I want  
Hold on, alright

Hold on, I was wrong  
Yeah, it's all I want  
Hold on, alright

You gotta listen to me baby  
Hold on  
Now it's so clear to me  
I was wrong  
Hold on
