Video Age

Dead of night
Have a look in the mirror
Waste of time
Nothing going on here tonight
We got the best in town
Not really that good
Put your money down

We're regulars
So regular

Wait around
In too deep
One more hour
Can not sleep

Suns up, I'm down
Cool blue
Walk it off, go home
Nothing new
Suns up, and I'm down
Suns up

Second wind
Hold me up
Can't grow tired
Never enough
No way
We got the best in town
Really not that good at all
Never touch the ground

Suns up, I'm down
Cool blue
Walk it off, go home
Nothing new
Suns up, and I'm down
Suns up

Wait till tonight and we can do it again

We're regulars
So regular

Suns up, I'm down
Cool blue
Walk it off, go home
Nothing new
