

Steady Rollin

Video Age

Old river with a lazy eye
Steady rollin' on through
Hasn't got a care at all, no
Hasn't got a clue

Don't tell me it's easy
Lazy you
Don't tell me it's not your fault
Just passing on through
Steady roll on

Old river, don't stop
Don't stop for you
Doesn't have a change of heart, no
Steady holding true

Don't tell me it's easy
Lazy you
Don't tell me it's not your fault
Just passing on through
Steady roll on

I'm sitting on the shoreline
Sweating bullets in the hot sun
I can tell you it's a sure fire way
Passing time until it's gone
