Hey, girl
I'm going down, please let me stay tonight
I need to say some little words
That's what how I'm feelin'
I can't wait a minute
'Cause my mind is out of limit
Is there somebody can tell me why you get me down? Somebody, wa
nt tell me how forget your eyes?
Your face
Hey, girl
Your eyes are turning, you're my dead
That's why I'm down
So, somebody can tell me why you get me down?
Somebody, want tell me how forget your eyes?
Your face
Hey, girl
You're treatin' me just like a fool
But I'm not
Girl, you can't sure give not a man like me
Now it's time for me to let myself go free
Is there somebody can tell me why you get me down? Somebody, wa
nt tell me how forget your eyes?
Your face
Hey, hey, hey, hey, girl
Hey, girl
Hey, hey, hey, hey, girl
Hey, girl
Hey, hey, hey, hey, girl
Hey, girl
Get down
Get, get, get, get down
Is there somebody can tell me why you get me down? Somebody, wa
nt tell me how forget your eyes?
Your face
Is there somebody can tell me why you get me down? Somebody, wa
nt tell me how forget your eyes?
