

Be Free (Pallivaalu Bhadravattakam)

Vidya Vox

Jump in the deep end
Tryna swim but you're sinking
I don't know the reason
Just needed something different

Don't gotta hear what they're speaking, No no
Don't gotta take what they're giving
Remember the meaning
This old folk song we'll be singing

I'ma raise my arms high
I'ma touch the skyline
I'ma sing it loud like
Let me, be free

Pallivaalu bhadravattakam
Kayyilentum thampuratti
Nallacchante thirumumpi chennu kali
Kali thudangi anganangane

Pallivaalu bhadravattakam
Kayyilentum thampuratti
Nallacchante thirumumpi chennu kali
Kali thudangi

Pallivaalu pallivaalu
Pallivaalu pallivaalu
Anganangane
Pallivaalu pallivaalu
Let me, be free

Heartbeat raising
What you feel when your feet hit the pavement
Keep on reaching
Hold on to what you believe in

Don't gotta learn what they're teaching, no no
Don't believe what they're preaching
Remember the meaning
This old folk song we'll be singing

I'ma raise my arms high
I'ma touch the skyline
I'ma sing it loud like
Let me, be free

Pallivaalu bhadravattakam
Kayyilentum thampuratti
Nallacchante thirumumpi chennu kali
Kali thudangi anganangane

Pallivaalu bhadravattakam
Kayyilentum thampuratti
Nallacchante thirumumpi chennu kali
Kali thudangi

Pallivaalu pallivaalu

Pallivaalu pallivaalu
Anganangane
Pallivaalu pallivaalu
Let me, be free

Vedadha vahan mere
Pogam nu tampuratti
Dare ga pur sanneri kannil
Chinnal kunnu anganangane

Porega pare ga vedham
Asuresha dharigare
Parmesha putri raghupatra
Nyan no tera anganangane

Pallivalu bhadravattakam
Kayyilentum tampuratti
Nallcchante tirumumpi chennu kali
Kali tudangi anganangane

Pallivalu bhadravattakam
Kayyilentum tampuratti
Nallcchante tirumumpi chennu kali
Kali tudangi
