

Dream Catcher

Vidya Vox

When you finally fall in love
Is it always everything it should be?
Or could be?

When you see me from afar
Do you still hear music in your heartbeat
When you see me?

Does it taste like something sweet
Does it feel like cool water?
(Tera naam ye dil bole)

Every time you fall asleep
Am I still your dream catcher?
(Dhadke ye tere liye)

Koi sapna mera tujhe jo mila
Kya main hoon vahaan?
Akeli hoon kya? Kahin door wahaan?
Tu paas aa na

Tujh mein main kho jaau
Mujh mein tu ghul jaaye o piya, o re piya
Tera naam ye dil bole
Dhadke ye tere liye piya, o re piya

Does it taste like something sweet
Does it feel like cool water?
(Tera naam ye dil bole)

Every time you fall asleep
Am I still your dream catcher?
(Dhadke ye tere liye)

Koi sapna mera tujhe jo mila
Kya main hoon vahaan?
Akeli hoon kya? Kahin door wahaan?
Tu paas aa na

Let me catch all of your dreams
Like crystals and sun beams
The sky is filled with wonder

Can you see, can you see the depth?
Can you feel, can you feel my breath?
I'll be your dream catcher

Koi sapna mera tujhe jo mila
Kya main hoon vahaan?
Akeli hoon kya? Kahin door wahaan?
Tu paas aa na

Tujh mein main kho jaau
Mujh mein tu ghul jaaye o piya, o re piya
Tera naam ye dil bole
Dhadke ye tere liye piya, o re piya
