

Walk away from everything that I know  
For a dream of what life could be  
Take a plane for over 2000 miles  
I hope there's something better for me  
How far do I have to go  
Because I really don't know  
What lies before me  
But in the distance I know  
You are thinking of me  
Tomorrow when I come home  
I know you will be waiting for me

Hooooooooo  
Wish I could show you all my love  
I want you to know  
I want you to know it's not enough  
How far should I go  
How far should I go to make you see  
I know it isn't easy for you  
It isn't easy for me too  
Tomorrow when I come home  
I know you'll be waiting for me

How far do I have to go  
If I was something better  
So I ask myself  
Should I leave everything behind  
I can pretend to be somebody else  
You know sometimes I miss home  
Can't think about it for long  
Before I start to melt  
But in the distance I know  
You are thinking of me  
Tomorrow when I come home  
I know you will be waiting for me

Hooooooooo  
Wish I could show you all my love  
I want you to know  
I want you to know it's not enough  
How far should I go  
How far should I go to make you see  
I know it isn't easy for you  
It isn't easy for me too  
Tomorrow when I come home  
I know you'll be waiting for me
