

Moonlight

Vidya Vox

I like the way you looking
I know I'm an azhagu ponnu...
So keep your eyes wide open
Ennada yen pera sollu...

You like the way I'm looking
I know I'm an azhagu ponnu...
I see you take the moment
Ennada yen pera sollu...

Haaa...
Something but the way you move...
Haaa... underneath the stars you looks...
Haaa... anba leave the moonlight...

Still water come in like soft feel
Fade in colour, oh ooh oh...
Small talker come in like a hunter
Am I older, like gold...

Haaa...
Something but the way you move...
Haaa... underneath the stars you looks...
Haaa... anba leave the moonlight...

Hoo...
Something but the way you move...
Hooo... underneath the stars you looks...
Hooo... anba leave the moonlight...

Ennada yen pera sollu... (ah ah ah...)
Ennada yen pera sollu... (ah ah ah...)
Ennada yen pera sollu... (ah ah ah...)
Ennada yen pera sollu... (ah ah ah...)
