

Strangers

Vigiland

Play me like the best of melodies
Happy with our heads inside a dream

We're like strangers in the night
Heaven knows what we will find
But I'm falling in those deep blue eyes
Bodies made of gold
Only love can get me sold
I'm a sucker for your touch tonight

So I say, hold on to me
'Cause this feels so good, you see
Just keep holding on to me
Let me love, let me love
Let me love, let me love you tonight

Let me love, let me love you tonight
Let me love, let me love you tonight
Let me love, let me love you tonight
Let me love, let me love you tonight

Take me, I am yours, will you be mine?
Baby, you're the only thing on my mind

We're like strangers in the night
Heaven knows what we will find
But I'm falling in those deep blue eyes
Bodies made of gold
Only love can get me sold
I'm a sucker for your touch tonight

So I say, hold on to me
'Cause this feels so good, you see
Just keep holding on to me
Let me love, let me love
Let me love, let me love you tonight

Let me love, let me love you tonight
Let me love, let me love you tonight
Let me love, let me love you tonight
Let me love, let me love you tonight
