

Again

Villagers

(Again)
(Again)
I've found again
(Again)
A space in my heart again
(Again)
For the God again
(Again)
In the form of art again
(Again)

I let it flow
(Again)
Into a bottomless hole again
As I feel it (again) ripple and ready its soul again
Alone again (again)
Home

We fall again
(Again)
Under the spell again
(Again)
And crawl again
(Again)
Into the shell
(Again)

And let it flow
(Again)
Into a bottomless hole again
As I feel it ripple and ready its soul again
Alone again (again)
Home

(Again)
(Again)
(Again)
(Again)

I let it flow
(Again)
Into a bottomless hole again
As I feel it ripple and ready its soul again
Alone again (again)
Home

(Again)
(Again)
(Again)
