

Beatitudes

Villagers

Beatitudes are calling
Beatitudes for free
Beatitudes are calling
Beatitudes for me

Beatitudes are harboured
are drowning underneath
Beatitudes are calling

'Cause I weep like a baby
when I think of you, my love
But I sleep like a baby
when I dream, guess I'll dream

Beatitudes are calling
Beatitudes for free
Happy ever after
Beatitudes for me

The devil in the detail
is dancing at our feet
Beatitudes are calling

Because I weep like a baby
when I think of you, my love
But I sleep like a baby
when I dream, guess I'll dream

'Cause I sleep like a baby
when I think of you, my love
Yes, I sleep like a baby
when I dream, I guess I'll dream

Beatitudes are calling
Beatitudes for free
Happy ever after
Beatitudes for me

Beatitudes are harboured
are drowning underneath
Beatitudes are calling
