

He's Not The Same

Villagers

I've been going with my baby so long
Don't know what it is
But now there's something wrong
My baby's going through some kind of change
And in my heart
I feel a pain

And in my heart it's starting to rain
In my heart, he's not the same
He's not the same, no

Hasn't seen the world enough anymore
Doesn't want to do the things we've done before
Seems so different
He's like a mystery
I thought anew, but now he's strange to me

And in my heart it's starting to rain
In my heart, he's not the same
He's not the same, no

Now, it's all clear to me
That our love was never meant to be
A true love, starting to break
The love I thought is real is ending up fake

And in my heart it's starting to rain
In my heart, he's not the same
He's not the same, no
He's not the same, no

Now, it's all clear to me
That our love was never meant to be
A true love, starting to break
The love I thought is real is ending up fake

And in my heart it's starting to rain
In my heart, he's not the same
He's not the same, no
He's not the same, no
He's not the same, no
He's not the same
