

Keepsake

Villagers

You say you're not afraid
Well I second that
And I can't hold back
Anymore
You say you're not afraid
Well I second that
And I can't hold back
Anymore

But can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?

You say you're not afraid
Well I second that
And I can't hold back
Anymore
You say you're not afraid
Well I second that
And I can't hold back
Anymore

Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
Can I keep the dream alive?
