

Powerless

Villain of the Story

You wanna ask
Why my heart has turned to ash
Even when the sun is shining bright
I'm cold as ice
You wanna know
How I ended up alone
Emptiness and shattered trust
Left me buried in the dust

I'd rather be numb
Than deal with the pain
I'd rather be done
Than have to live this way

Pull me up
Pull me out of this
I am broken
I feel powerless
I've had enough I'm crying out
For something or someone
To give me a reason to live

Am I a ghost?
Lost everything I loved the most
Built myself so high up off the ground
Now I'm falling down
I'm in the dark
I can't see
It feels like I forgot how to breathe

It's been so long
Since I've felt strong
Should I give up?
Is all the hope inside me gone?

Pull me up
Pull me out of this
I am broken
I feel powerless
I've had enough I'm crying out
For something or someone
To give me a reason to live

Is anybody out there?
Give me a sign that you can hear me

I am trying to hold on
But I am slipping
Lift me up
I am searching for anyone
To pull me out of this tragic misery
Pull me out
I am powerless

Pull me up
Pull me out of this
I am broken

I feel powerless
I've had enough I'm crying out
For something or someone
To give me a reason to live

Give me a sign that you can hear me
Calling out for you
Can you hear me? Can you hear me?
Calling out for you
