

Without You (Stripped)

Villain of the Story

I lie awake through these endless nights
I see your face when I close my eyes
Reach out my hand thinking that you're real
My heart skips a beat but there's nothing to feel

Come back
Come back to me

I'd give it all away
I would give anything for another day
Another day with you
Just take the pain away
There's not much more I can take
Living another day
Another without you

I still can't believe that you're out of reach
Is this the way that it was meant to be?
With you taken away from me
Tell me that this is nothing but a dream

Come back
Come back to me

I'd give it all away
I would give anything for another day
Another day with you
Just take the pain away
There's not much more I can take
Living another day
Another without you
