

Olet Mun Kaikuluotain

Ville Valo

Jos lähdet mun luotain
Ajaudun haaksirikkoon
Oot mun kaikuluotain
Minut viet satamaan

Olet maa josta kasvoin
Minut kaskeksi raivaat
Kun miljoonin kasvoin
Mua uudistetaan

Suo minun tulla
Anna kyynelten juosta
Kohta hengitän silmiis
Ole valmiina vaan
Anna viereesi tulla
Nosta hukkuva suosta
Suo mulle aikaa
Niin voimaa mä saan

Anna viereesi tulla
Suo mulle aikaa
Sua vain rakastaa

Jos lähdet mun luotain
Ajaudun haaksirikkoon
Oot mun kaikuluotain
Minut viet satamaan

Anna kyynelten juosta
Anna viereesi tulla
Suo mulle aikaa
Sua vain rakastaa

If you leave me
I'll drift into a shipwreck
You are my sonar
You'll bring me to the port

You're the ground I grew from
You slash and burn me
When with millions of faces
I'm being renewed

Let me come over
Let the tears run
Soon I'll breathe in your eyes
Just be ready
Let me come next to you
Lift the drowning from the swamp
Grant me some time
So I can gain strength

Let me come next to you
Grant me some time
To just love you

If you leave me

I'll drift into a shipwreck
You are my sonar
You'll bring me to the port

Let the tears run
Let me come next to you
Grant me some time
To just love you
