

# No Lie

Vin Jay

Oh my, no lie  
Phone line on fire  
Tell them bitches hold up  
(Tell them bitches hold up)  
Showtime, going live  
Whole line going wild  
When the kid shows up  
Now we got 'em like  
La da da da da da da da  
La da da da da da da da  
Oh my, no lie  
Phone line on fire  
Tell them bitches hold up

Follow my lead while I maneuver the industry  
I've been doing it differently, using fluent ability  
Now we bruising them visibly, got them losing their dignity  
Now the flow so cold got the flu and the remedy  
And I'm true 'til infinity, y'all are fueling stupidity  
I've been chewing the melodies, probably cool it eventually  
But now, I've been removing who been offending me  
Fool them with the sympathy, you've been viewed as the enemy  
Come on

Oh my, no lie  
Phone line on fire  
Tell them bitches hold up  
(Tell them bitches hold up)  
Showtime, going live  
Whole line going wild  
When the kid shows up  
Now we got 'em like  
La da da da da da da da  
La da da da da da da da  
Oh my, no lie  
Phone line on fire  
Tell them bitches hold up

Never tripping off a cynical bitch  
Killing every bit of writtens with a flick of the wrist  
Swing and a miss, you bitches on some pitiful shit  
Fill up a clip with rhymes, get a critical hit  
I'm not giving you nothing, we killing shit in abundance  
Get a beat and rip it in public, want a feature? Triple the budget  
You probably dissing, but fuck it  
This shit a drip in the bucket  
Y'all bout to trip but the man run it  
Wind up with a killer concussion  
Like, come on

Oh my, no lie  
Phone line on fire  
Tell them bitches hold up  
(Tell them bitches hold up)  
Showtime, going live  
Whole line going wild  
When the kid shows up
