

Scars

Vin Jay

Yeah, it's easier to tell you that I'm all right now
But I don't wanna lie
I'd rather wear my scars on the outside, yeah
'Cause I don't wanna hide

I gotta close my eyes, overthinking everything
It happens all the time, yeah, I deserve it anyway
For pushing you aside, neglecting everyone I love
And every single lie, get the bridges set on fire
For everyone I'm hurting
If karma is a bitch, yeah, I'm guessing that I earned this
I created problems just so I could see it burn quick
I was on the wrong path, I'm trying to find my turn, shit
I gotta learn, ask me how I'm doing I say, "I don't know
Life is kinda hard, but it's just the way it goes"

It's easier to tell you that I'm all right now
But I don't wanna lie
I'd rather wear my scars on the outside, yeah
'Cause I don't wanna hide

I wanna feel alive
Don't wanna feel the pain and pretend that I'm fine
'Cause I don't wanna hide
I'd rather wear my scars on the outside now (On the outside now)
'Cause I don't wanna cover up, I don't wanna lie, no
Wander what I'm running from, wander where the time goes
I don't wanna waste my life trying to bury my shame away, shame away
'Cause deep down I'm broken, but ask how I feel, I'll say...

Yeah, it's easier to tell you that I'm all right now
But I don't wanna lie
I'd rather wear my scars on the outside, yeah
'Cause I don't wanna hide

It's easier to tell you that I'm okay
I don't wanna talk, yeah, it's really been a long day
It's easy just to tell you that I'm all right
Everything is fine, but I'll be thinking about this all night
How am I? Yeah, I don't know
Life is kinda hard, but it's just the way it goes

Yeah, it's easier to tell you that I'm alright now
(Yeah, I'm all right now)
But I don't wanna lie
I'd rather wear my scars on the outside, yeah
(Yeah, I'd rather wear my scars)
'Cause I don't wanna hide

Got every single fear on the clothesline now (On the post line now)
I hang them up to dry
'Cause I'd rather wear my scars on the outside, yeah (On the outside)
'Cause I got nothing to hide
