# See The Light

**Vin Jay**

My mind insane
I can't control myself
But I won't change
Not even for my health
And I know if I don't, then I won't ever be alright
And I know if I don't, then I won't ever see the light

Maybe I don't understand it
But I been feeling damaged
And every other moments like a panic attack
All the times I've been stabbed in the back
Still I gotta walk around like I'm having a blast but really I know
This world is in a hell hole tell no lies
Soul is dead on arrival
I'm told times bound to get better
Life's been a bitch from the moment I met her yea
Wishing really never got me nowhere I've been counting on me my whole life
And I've been waiting on the day I can say that my soul gon be alright
Don't sell me a lie
Just tell me I'm fine I need it
Don't call my phone just leave me alone
I need to heal

My mind insane
I can't control myself
But I won't change
Not even for my health
And I know if I don't, then I won't ever be alright
And I know if I don't, then I won't ever see the light

Back and forth I watch the pendulum swing
Got these memories I locked away that mentally sting
You can call it what you want to I've got sensitive skin
Tried to go talk to a therapist to pencil me in
And every time I call for help it fell on deaf ears
Sometimes I wonder why the fuck have I been left here
I wasn't granted the same, circumstances had changed
My first words dad stop cause my mother's in pain
I'm too obsessed with
Music to ever make an investment
In myself it's stupid I know its what I'm blessed with
Enduring this pain has taught me more than the love
I'm used to climbing up from out of the mud covered in blood
So don't sell me a lie, act like everything's fine, I'm bleeding
Don't call my phone just leave me alone I need to heal

My mind insane
I can't control myself
But I won't change
Not even for my health
And I know if I don't, then I won't ever be alright
And I know if I don't, then I won't ever see the light
