

Love Never Broke Anyone's Heart

Vince Gill

You say your heart has been broken
And it's taking forever to mend
And it's left you even more certain
That you'll never love again

A long time ago someone told me
It's not love that causes the pain
Whenever a heart has been shattered
It's the losing of love that's to blame

Love never broke anyone's heart
It never left anyone scarred
It's not really love if it tears you apart
Love never broke anyone's heart

I know your feelings are tender
And you're so afraid they won't heal
I'll prove to you love doesn't hurt you
And I'll show you how true love should feel

Love never broke anyone's heart
It never left anyone scarred
It's not really love if it tears you apart
Love never broke anyone's heart

It's not really love if it tears you apart
Love never broke anyone's heart
