

Good 4 Me

Vindata

Good for me
One I need
Oh you think that you'll be good for me
One I need

Oh you think that you'll be good for me
One I need
Oh you think that you'll be good for me
One I need

Oh you think that you'll be good for me
One I need
Oh you think that you'll be good for me
The only one I need

Oh you think that you'll be good for me
One I need
Oh you think that you'll be good for me
The only one I need

Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be

Oh you think that you'll be

Good for me
One I need
Oh you think that you'll be good for me
One I need

Oh you think that you'll be
One
One
Oh you think that you'll be
One
One
Oh you think that you'll be good for me
One I need
Oh you think that you'll be good for me
The only one I need

Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be
Oh you think that you'll be

Oh you think that you'll be
