Got your grandma yellin like she's Janice Joplin, I'm joshin
Please get off my johnson, I see you bitches jockin this jargon

Grantin bitches wishes if they wish is for my pee pee

They are very very dangerous, they are wild animals
Something's got to be done

With fire arms now it's on like Honkey Kong
Where my gorillas at? Where my apes at?
Where my gorillas at? Where my apes at?

Look at all this wild shit ya'll got me on
