

## Shepherd's Rod

Vinnie Paz

I went over and looked at him and I was just joking and I went, "This guy's dead." And I gave him a kick in his stomach, you know, and He was dead. He was dead

Her brother thought we killed him. He goes, "What should we do? Like, should we hide the body or something?"

So anyways, um, we went and Donnie had a camera and we went and we lied down - I lied down next to him and we all got around him and we took a bunch of pictures, like family pictures, and we're all going, "Hi," you know, and taking pictures and stuff. It was really funny, actually. And the paramedics came and they were joking with us and the coroner came

Didn't you feel bad that the guy was dead?

No. Not at all. Because I hate painters

Motherfuckers learn a tough lesson

I was dressin' like a tough question

It couldn't possibly work

That's why motherfuckers poppin' their yerks

A true believer that shoot Selena

I was a student teacher for Dua Lipa

I threw the fever with blue sativa

I brought the Julius Caesar to Geneva

I got a shottie with a beam

Peace Jake how you livin'? Ramadan Kareem

A dope collector with no reflector

I hold the vector, I hold the scepter

I had to slap a couple rappers

You stupid, homie, you hustle backwards

You slippery over a hundred dollars

Victory has a hundred fathers

Chili shooting for Esteban

Joe Henderson in a tetragon

It's Clark Sickle everywhere I step upon

Compassionate of a rational

Don't make me come out my character

Holy terror the challenger

Put the scalpel into your scapula

Bring the smoke, pa, all of the noise

I got beams and the bump stocks, all of the toys

Dark hearts on a dark platter

Dark arts and the dark matter

Vinnie! Vinnie!

He was just being

Vinnie! Vinnie!
