

That's Why

Vintage Culture

That's why... [repeats]

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

[illegible]

That's that's that's that's
That's that's that's that's
That's that's that's that's
That's that's that's that's

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
I'm special to you, girl

It takes someone special
To be special too
That's why, that's why
That's why, that's why
That's why, that's why
That's why, that's why
That's why, that's why
That's why, that's why...
