Vinylshakerz

I am caught up in the middle  
Cry just a little  
And I think I am letting go  
I am caught up in the middle  
Cry just a little  
And I think I am letting go

Oh no caught up in the middle  
Cry just a little  
And I think I am letting go  
Oh no gave up on the ..  
Cry just a little  
And I think I am letting go

Oh no caught up in the middle  
Cry just a little  
And I think I am letting go  
Oh no gave up on the ..  
Cry just a little  
And I think I am letting go

Oh no caught up in the middle  
Cry just a little  
And I think I am letting go  
Oh no gave up on the ..  
Cry just a little  
And I think I am letting go

Oh no caught up in the middle  
Cry just a little  
And I think I am letting go  
Oh no gave up on the ..  
Cry just a little
