

Faith

Violent Femmes

Got my faith, baby
In the Lord
Got my faith baby
In the Lord, Lord, Lord

And I know, He'll make everything alright
No matter where a child roam
That child's gonna have a home
If he's got his faith alright

Said, I don't believe in no car
I don't believe in General Motors
I don't believe in the President
Or the League of Women Voters

I don't believe in these things
All these things might fail
I don't believe it's gonna snow
It might sleet rain or hail

But I believe in the Father
I believe in the Son
I believe there's a Spirit
For everyone

I believe in the Father
I believe in the Son
I believe there's a Spirit
For everyone

That's not all
That's not all
I'm gonna tell y'all
Let's do the faith call

Call F, F, I said, "A"
A
I said, "I"
I

I said, "T"
T
I said, "H"
H

What that spell?
Faith
What that spell?
Faith, oh faith

Got my faith baby
In the Lord
I got my faith baby
In the Lord, Lord, Lord

And I know, He'll make everything alright
No matter where a child roam

That child's gonna have a home
If he's got his faith alright

Said, I don't believe in no car
I don't believe in General Motors
I don't believe in Ronald Reagan
Or the League of Women Voters

I don't believe in these things
All these things might fail
I don't believe it's gonna snow
It might sleet rain or hail

But I believe in the Father
I believe in the Son
I believe there's a Spirit

Got my faith baby
In the Lord
Yes, got my faith baby
In the Lord, Lord, Lord

And I know, I know, I know, He'll make everything alright

Got my faith
