Wake Up

Violent J

Wake up
Wake up

Everybody up, it's time to move
Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah
Everybody up, it's time to move
Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah

Raise the flags up and wake the dead
Joe Bruce Lee, bitch, off the meds
Get your ass up, we own this bitch
Chop a snake up and choke the Witch
Get hyperactive, we all ferocious
Undiagnosed, but all explosive
Get the f*ck up and call a friend
Tell him we jumping all off the deep end
Wake up, you can feel the floor shake up
People try to move, but all the room we take up
Shit's ours, it's time to use it
Wake the f*ck up and blast the music

Everybody up, it's time to move
Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah
Everybody up, it's time to move
Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah

Wake up, ain't nobody louder
Kicker box packed full of gunpowder
Slap the sleepy, we high, adrenaline
Wake the dead, we keep on tellin' 'em
We power up and sink cobra fangs
Wake the f*ck up, bang, bang, bang
We blast like an asteroid into the city
Walk around glowing with hurricanes blowing
We showin' up, everybody watch us
Electricity blasts they eye sockets
Wake up to the woofers beatin' yo ears
Real shit, no smoke and mirrors
Smashed through your house like a speeding train
Knock your head like a knee to the brain
We the ones who blast you back

And leave everybody else too shocked to react

Everybody up, it's time to move
Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah
Everybody up, it's time to move

Yes, wake the world
Let go, (Wake up) let go, come on
Ooh yeah

Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
(Wake up) Wake up, don't fall asleep
Don't miss the action, don't skip the beat
