

Target practice on the lawn
Screaming easy, easy, easy
Easy like a brick

Trigger happy overture
Screaming alright, alright, alright
Alright like a brick

And they'll never take a bow
'Cause they won't lie on a fault-line
And they'll never sink alone
'Cause it's always just a b-side
And they'll never take a fall
With a white lie to make you feel alright

Where there's no cars (Where there's no cars)
And there's no sound (And there's no sound)
And there's no sound (And there's no sound)
And there's no

Guess it's nothing but a sport
Screaming easy, easy, easy
Easy like a brick

And they'll never take a bow
'Cause they won't lie on a fault-line
And they'll never sink alone
'Cause it's always just a b-side
And they'll never take a fall
With a white lie to make you feel alright

On a fault-line, on a fault-

(Screaming easy, easy)
(Screaming easy, easy)
To make you feel alright (Screaming easy, easy)
To make you feel alright (Screaming easy, easy)
To make you feel alright (Screaming easy, easy)
To make you feel alright (Screaming easy, easy)
To make you feel
