Kamikaze

Violent Soho

Kamikazes in the sea
Screaming oh yeah
He's tryna swim
But scratched his knee
Screaming oh yeah

Will you find a way to make it go away?
While the preacher's song is screaming from your bed
When all your days just waiting
For a sign you're more than our love is

Where did you go now?

There's no land, no anchor here
Screaming oh yeah
At least the view is so serene
Screaming oh yeah

Will you find a way to make it go away?
While the preacher's song is screaming from your bed
When all your days just waiting
For a sign you're more than our love is

Where did you go now?
What you waiting for?
And here you are now
Are you gonna call again?
And here you are now
What you waiting for?

Where did you go now?
What you waiting for?
And here you are now
Are you gonna call again?
And here you are now
What you waiting for?
