

You Promised

VIOLENT VIRA

I still see your shadow in the corner
Of evergreen street to this day
Still see your shadow in the mirror
Are you telling me to stay?

Still see their haunting faces, obituary
Won't tell me your name
I know it's hard to keep on waiting
But I've been trying since the day

The day you promised
To marry
Me
They're all lying
They're all lying
Saying that you don't love me, me
Me
'Cause you promised

(They're all lying)

The sweetest taste of poison
I don't know what to do
Compelled by blind devotion
I promised I'd do anything as long as you would be in love with

Me
They're all lying
They're all lying
Saying that you
Don't love me, me
Me
'Cause you promised

Where are you?
Where are you?
'Cause you promised
'Cause you promised
