Wake up dreamer,
Sunshine forever,
Closeness... openness
Safe here for both of us

You're the purest feeling so gentle and fine,
Sweet and gorgeous, and I know you're mine,

Shelter you, protect you, enjoy you, explore you,
My love, is for you,
you know how much I adore you,

You're the purest feeling, so gentle and fine,
Sweet and gorgeous, oh and I know you're mine,

You're the purest feeling,
Oh I want you to be mine,
Sweet and gorgeous, oh I adore you,
Would you really be mine?

Your tears can dry now,
My eyes won't cry now,
Those years behind us,
Another love has found us,

Sweetheart
