BEST FRIEND

Violette Wautier

I wish we could
Stay friends after what we've been through
Wish that everything
Turned out better between me and you

And I know it's probably hard for you to open up
Again
Wish it was easier to let you go but it's so tough
'Cause we were once best friends

Yeah, I know we both never meant to hurt each other
Or is it too late?
Can we try to make it better?
'Cause I don't want us to only be coexisting
I want my best friend back

Remember how
We say that we were family?
Or how we always say
You're like a Chandler to my Joey?

At first I thought that this was just our usual little fight
We'd get over it after a night
This time it's different but what we got is for life
It's for life

Yeah, I know we both never meant to hurt each other
Or is it too late?
Can we try to make it better?
'Cause I don't want us to only be coexisting
I want my best friend back

Yeah, I know we both never meant to hurt each other
No, it's not too late
We can try to make it better
'Cause I don't want us to only be coexisting
I want my
Best friend back
I want my best friend back
