

# Drunk

Violette Wautier

All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
Don't need nobody else  
All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
Don't need nobody else

Smell like smoke

It's been a while since we last spoke  
So tell me how's it go  
Still loves blues  
Nothing new  
Careless love, I've had a few  
How 'bout you?

All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
Don't need nobody else  
All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
Don't need nobody else

I never thought  
When you're gone  
I'd find it hard to carry on  
And it's probably 'cause  
I fell in love  
Way back then  
And I think about us when  
I think about us when

All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
I got nobody else  
All my friends are drunk again  
And I'm stumbling back to bed  
All by myself  
I got, I got nobody else  
Mm, mm
