

# Smoke

Violette Wautier

I don't, I don't smoke but I'll go outside with you  
Baby, it's kinda cold  
You can hold me if you want to  
No, I'm not thinking straight now  
I had a few drinks before  
But I don't, I don't mind now  
Cause I am here with you

We keep meeting each other this way  
I was just thinking about you today (Hmm)  
All my friends are dancing in the living room  
You pulled out a cigarette and say  
Let's be alone

I don't, I don't smoke but I'll go outside with you  
Baby, it's kinda cold  
You can hold me if you want to  
No I'm not thinking straight now  
I had a few drinks before  
But I don't, I don't mind now  
Cause I am here with you

I am here with you oh  
I am here with you oh

Hoo ooh  
Hoo ooh

I know what you wanna do  
We'll make out and let our bodies speak  
I'll light that cigarette for you  
Promise me that you will keep this between us

Let's go, let's go smoke  
I will go outside with you  
Nobody has to know  
Just hold me, I know you want to

No, I'm not thinking straight now  
I had a few drinks before  
But I don't, I don't mind now  
Cause I am here with you

I am here with you oh (Hoo ooh)  
I am here with you oh (Hoo ooh)

Hoo ooh  
Hoo ooh  
Let's go  
Let's go (Hoo ooh, hoo ooh)

Cause I am here (Let's go)  
I am here with you (Let's go)  
Hoo (Let's go)  
Cause I am here with you
