

# Disintegration

Virgin Snatch

I am the last casualty of your game  
My land is ruled by people who will disintegrate it!

No time for  
healing my soul  
The goal is get over you  
Soon we'll say  
it's time to pay  
for the years of dictators' rule

WHO CARES IF WE LIVE OR DIE  
WE SERVE NO MORE, NO ONE!  
I SEND THE S.O.S. ALARM  
KEEP US IN LINE  
TOO OLD TO HEAR THE BATTLE CALL  
WAR CRY: COLLAPSE, DECLINE  
WE ASK FOR HELP EVERYONE  
WE SERVE NO MORE, NO ONE

We know that something has to break  
So why do you stand like shit and make the next mistakes

You have to  
tell the trust  
Revolt has soon to die!  
This war in time  
of peace is crime  
you cannot justify

WHO CARES IF WE LIVE OR DIE  
WE ARE TOO SKY, TOO BLIND  
I SEND THE S.O.S. ALARM  
KEEP US IN LINE  
TOO OLD TO HEAR THE BATTLE CALL  
WAR CRY: COLLAPSE, DECLINE  
WE ASK FOR HELP EVERYONE  
WE SERVE NO MORE, NO ONE
