

# Fingerprints

Virgin Snatch

Political pressure  
the unseemly haste  
Deliver and measure  
the fingerprints of many hands

Evidence necessary  
to identify  
The invisible to the naked eye  
You try to hold me down

ARCH!  
LOOP!  
TRAIL!  
THE ONLY WAY TO LEARN!

LOSE YOUR TAIL!  
FAIL!  
UNDER THE GRAY SURFACE

You're an investigator  
My blame is what you need  
You hate is the energy  
to wear the cup of liberty

You are talking head who  
occupies the TV screen  
Sacrifice deficit  
requires security

My fingerprints  
Erase my fingerprints

TAKE MY FINGERPRINTS  
IF YOU ARE ABLE TO  
GIVE THE TRUTH

International commision  
to investigate  
the tragedy that you play  
A face to place the blame

Life is a bitter pill  
So make the deal  
The motivation is clear  
the rule of legal equality

ARCH!  
LOOP!  
TRAIL!  
THE ONLY WAY TO LEARN!

LOSE YOUR TAIL!  
FAIL!  
PROCLAIM THE RIGHTS OF MAN
