

## Walk The Line

Virgin Snatch

Why can't you see that the object of your obsession  
is invariably something positive  
Don't give me this Passive- aggressive shit!  
You Don't want to risk / You don't believe  
Don't want to build with me! / Don't wan to walk with me

Again and again  
resort the machinations  
Offering new  
Offering you a ride

Trying to walk the path  
of specified destinations  
Trying to stay the curse  
YOU WALK THE LINE!

I speak the truth  
The land is ruled by fools  
like chastened children  
sitting silently in a school

Their faces dulled  
constrained and so afraid  
What have you done Dude!  
you are still not understood!

You'll loose the game you're playing  
Better keep your head on  
Following Art Of Lying  
Carry On. Carry On! FUCK!

WALK ON THE LINE SLOWLY  
YOU ALWAYS STOP RIGHT IN THE SHIT  
IT KIND OF MAKES YOU WONDER  
DAY IN - DAY OUT  
THERE IS NO DOUBT THAT ONE WAY TRACK

WALK ON THE LINE SLOWLY  
YOU HAVEN'T MUCH TIME TO DECIDE  
PRIVILEGE MEMBERS ONLY  
DAY IN - DAY OUT  
THERE IS NO DOUBT
