

## We Serve No One

Virgin Snatch

Every time you've spoken  
you've spoken to me  
I have never spoken back  
no positive feedback

But you can't  
blame me for  
the silent abhorrence  
Perhaps you are speaking to the wrong audience

THIS IS THE MESSAGE FOR ALL:  
NEVER NO MORE!

I know your promises:  
whole-life insurance  
We will not bind ourselves  
to them in advance!

Making plans,  
Thinking - deep,  
very little sleep  
We will not stop fighting till  
justice is achieved!

WE SERVE NO ONE!  
UTOPIANS!  
YOU CANNOT BUY  
OUR LOYALTY

IT IS NOT A CALL  
NO PROTEST SONG  
NOT THE SORT WE HAVE IN MIND!

Look at that ovation  
Feel the ignorance  
If you want to deal with me  
fuck the abundance

For some, it is a simple bid:  
the size of the chair  
That's the best way to show your gratitude
