

# The Ineffable Name

Virgin Steele

I RISE!  
Weak willed Tyrant, lump of clay  
I despise you and will not obey...Divine Commands...  
Side by side, back to back dual Shadow  
Yourself you Attack!  
Restrain your passion or weep for the Dawn  
Return me the Grace now for which I was born  
I rise across the Ocean cast a Magick Spell  
Armed with the Power of Life, Death & Hell  
Charmed with Magick, Divine my Skin  
Your Lion knoweth nothing of where I begin  
Serpent's bite, Sovereign Might shakes with the Power  
of my Works  
Unending Fire, pains conspire I stole the Secret of  
God's... INEFFABLE NAME!  
Rise up with Magick Spells beholden to no one  
I live for the memory of the Purest Light  
Gliding above this Place I'm leaving this Paradise  
Armed with the Knowledge of my Sacrifice  
You Gods don't provoke me and withdraw your scorn  
Return to your Sovereign and bear this along  
I ride across the Ocean cast a Magick Spell  
With Fear, Force & Fire, yes I know you well  
Glowing Magick, under my Skin  
Your Lion knoweth nothing of my Origin  
Rise in Power, or cast down in Flame  
I know the Power of your Name  
Serpents Wise, Reign of Lies  
I own the Power of Your INEFFABLE NAME...  
Oh the Power of the Name...I KNOW YOUR NAME!!!  
Your Name... I know Your Name...  
I fly from thee... Authority, your lies to me, I am  
called freedom  
Invoking the Circle of Starlight  
Nothing will hinder my rise!!! Watch... look out...  
I'll take your eyes  
Rising above the Stars  
I'm leaving this Paradise, escaping the bonds of this  
Wicked Crowd  
Your God thinks He's Light alone, creating Himself from  
Self  
The Gods don't know... my sacred flight... No way...  
But I Know!  
Wait... out of my way...  
I'll take your Name, I'll take your Eyes... Horus...  
awake! Yea... Watch me fly!  
Rise up with Magick Spells beholden to no one  
I live for the memory of the Purest Light  
Gliding above this place, I'm leaving this Paradise  
Armed with the knowledge of my Sacrifice...  
BUT I KNOW!!! OH... The Power of the Name...  
Azag galra sugbi mu unna te, Namtar galra zibi mu unna  
te  
(Return now to your state of Dreaming, your God won't  
hinder my brazen flight)
