

Our Story

Virginia To Vegas

In the beginning
Like a movie
Wanted to hold you
Was just a friend

When we were hanging
I was dreaming
Of you and I
Every night

I always knew it was a matter of time
That you would see what was in front of your eyes
This is our story
You and I
Bring it to life

I've been waiting
For this moment
And you never knew-hoo
I wanna hold ya'
I gotta tell ya'
That it's always been you-hoo

That it's always been you-hoo
I've been waiting
For this moment
And you never knew-hoo
I wanna hold ya'
I gotta tell ya'
That it's always been you-hoo

I first saw you
From the bleachers
At 17, babe
It felt so right

When we were hanging
I was dreaming
Of you and I
Every night

I always knew it was a matter of time
That you would see what was in front of your eyes
This is our story
You and I
Bring it to life

I've been waiting
For this moment
And you never knew-hoo
I wanna hold ya'
I gotta tell ya'
That it's always been you-hoo

That it's always been you-hoo
I've been waiting
For this moment

And you never knew-hoo
I wanna hold ya'
I gotta tell ya'
That it's always been you-hoo

(I've been waiting)
(For this moment)

I've been waiting
For this moment
And you never knew-hoo
I wanna hold ya'
I gotta tell ya'
That it's always been you-hoo

No, it's always been you, babe
No, it's always been you
No, it's always been you, babe
No, it's always been you
