

## Land Of A Thousand Lakes

Virtuocity

We've travelled on a thousand years  
From the ice age through iron tears  
When we fought our way through the storms  
Now we've seen shaman in trance

Guardian spirits protect my way  
We are warriors of steel  
We were hunters of north  
We were sons of thunder

Here the sky is deeper than blue  
Here the ice is harder than steel  
Here the sun can shine through the night  
Here the wind can freeze your eyes

In the land of a thousand lakes  
In the land of a thousand lakes  
In the land of a thousand lakes  
In the land of a thousand lakes
