

Dreamer I Know

Visage

While you were sleeping, I had a vision that gently took the pain away
Am I still dreaming? I search for meaning, you turn my world from night to day
I hear you calling, like a stone I am falling, red lights in the siren sings
I missed the warnings, I knew it was coming, can't fly on a broken wing

Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)
Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)

How did this happen? I feel no malice that slowly made us fade away
There is no reason, why wait for healing? It's something that just can't be found
I hear you calling, like a stone I am falling, red lights in the siren sings
I missed the warnings, I knew it was coming, can't fly on a broken wing

Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)
Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)

Dreaming of me but it's over
Further and further, not closer
We're out of the dark, now it's over
Embrace it... and take it to the light

Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)
Dreamer I know (is that how you wanted it to be?)
Dreamer I know (it's over, it's over)
