```
In your fight I show you bite
On your flight I show you sight
What it takes is up in the stakes
On my plate I give you light
On my beats
On my treats
Stamping, stomping, stamina (stamina) [2x]
In your fight I show you bite
On your flight I show you sight
What it takes is up in the stakes
On my plate I give you light
[2x]
On my beats
On my treats
Stamping, stomping, stamina (stamina) [2x]
On my plate I give you light [3x]
Ladies and gentlemen
Crank it up!
In your fight I show you bite
On your flight I show you sight
What it takes is up in the stakes
On my plate I give you light
On my beats
On my treats
Stamping, stomping, stamina (stamina) [2x]
In your fight I show you bite
On your flight I show you sight
What it takes is up in the stakes
```

On my plate I give you light [4x]
