

## Flames - Interlude

Vivian Green

I thought I was the only one  
Turns out, I was the only one dumb enough to believe him  
Oh, I felt the pain  
Metastasized through every inch of my being  
I, I wanted to die.  
But at the same time, I wanted his ass to die much, much more  
After twenty years of marriage, no matter our struggles  
He was loyal without question  
So you can only imagine my devastation when I discovered he had  
a twenty-something girlfriend.  
Hah, with a baby on the way
