Because of you, but I love you
This song is for pretty you oh oh
This is love song
This song for you you you you you
Alright listen up my boo

Why is love so bittersweet?
Why do you keep pushing me away?
I've never been shot down wherever I go
But in front of you, I am kneeling

Ooh ooh ooh ooh ooh
None of my pick-up lines work for you
Ooh ooh ooh ooh ooh
You pretend not to know me, pretend I'm not there
Ooh ooh ooh ooh ooh
You may think that I am
A man with no pride

It hurts but I like you, I like you so much girl, what do I do?
I like you but it hurts, you don't know my heart
Please come to me

(Love you you you you you) Woo jju jju jju jju jju
(Ma boo boo boo boo boo) I want to hug you
(Oh chu chu chu chu chu) Will you be my girlfriend?
Love you you you you you

Yes, Listen up my beautiful girl
Wherever I went, I was the best
Where can you find a guy like me these days?
Oh my goodness, I'm so upset,
My pride is bruised
Why are you looking elsewhere again?
Look at me, accept my heart,
Why don't you know me, who is like a sunflower?
My heart hurts but I like you - what is this feeling?
I love you Yes, by my girlfriend

Ooh ooh ooh ooh ooh
You don't even look at me
Ooh ooh ooh ooh ooh
You pretend like you don't even see me
Ooh ooh ooh ooh ooh

But I don't care
Because eventually, you will be mine

It hurts but I like you, I like you so much girl, what do I do?
I like you but it hurts, you don't know my heart
Please come to me

(Love you you you you you) Woo jju jju jju jju jju
(Ma boo boo boo boo boo) I want to hug you
(Oh chu chu chu chu chu) Will you be my girlfriend?
Love you you you you you

Alright I Wanna hold you tight (Whoa~)

Whatever you say, I like you, I like you girl forever
I like you but it hurts, why don't you know my heart?
But still, I love you

(Love you you you you you) Love U U U U U
(Ma boo boo boo boo boo) I want you
(Oh chu chu chu chu chu) Will you accept my heart?
Love you you you you you
I love U
