

I'm jealous

Viza

It's 5 in the morning and I'm in mourning.
An entire night of drinking, is she thinking of him or me?

Now it's nearly 7, where in heaven?
Does she bare a conscience? Or is she lost in someone else's scheme.

I'm Jealous! I'm Jealous you are my only love now I'm restless
and jealous.
You left me in this rut where I'm burning and jealous.
For you are who I wish to only love.

Now it's almost mid-day what a sad day,
Staring out the window I've never been so torn at the seams.

I snatch up the car keys, and hit the side streets.
I hear a siren what she hiding from me?

I'm Jealous! I'm Jealous you are my only love now I'm restless
and jealous.
You left me in this rut where I'm burning and jealous.
For you are who I wish to only love.
