

## Loyal Tea

Viza

Disappointed and I'm coming down with something nasty.  
I'm passing out in a pond of doubt.

Drink your 'Loyal Tea' and spit it up on the ground.

I hereby appoint you minister of things that matter sinister.  
You're vinegar.

Drink your 'Loyal Tea' and spit it up on the ground.

Take the money in the acid rain.  
Take the bounties to my name and enjoy your fame.

Drink your 'Loyal Tea' and spit it up on the ground.
