

Toxic

Viza

Slow down lover.
I'm turning on.
Lover pull me up above to the sun one more time with touch.
Cigarette in a chocolate shell, leave the room and smoke my mood
afar.

Slow down lover.
I'm turning on.

Very toxic, count to ten, lick your lips and arch your sin.

Slow down lover.
I'm turning on.

So very toxic baby.
So very toxic sugar.
So very toxic honey.
So very toxic lover.
Lover pull me above.
