

No matter the face  
It was out of your head  
You can't relate  
Not to all this landscape

When you go out of your way  
To help someone

Do you think about us?  
Do you think about us?

When you're going out of your way  
When you're going out of your way  
Do you think about us?  
Do you think about us?  
When you're going out of your way  
When you're going out of your way

Oh, when you take and you take and then walk away  
And you're giving me nothing back  
How do you expect to keep me around?

Now you're gonna off your way for someone else  
Do you think about us?  
Do you think about... Ah

Well, I'm not surprised, BTO  
And I'm not sorry, BTO  
Well, I'm not surprised, BTO  
And I'm not sorry, BTO

Do you think about us?  
Do you think about us?  
When you're going out of your way  
When you're going out of your way  
Do you think about us?  
Do you think about us?  
When you're going out of your way  
When you're going out of your way
